

MALIK AZUMI

Manchester, M11 2AT | 07389817305 | Malik.azumi@yahoo.com

Summary

A self-taught software developer passionate about programming and technology, seeking a junior developer position to apply my skills and knowledge in an active role with opportunities to work on real-world projects. With experience personally coding in HTML, CSS, JavaScript, React.js, Node.js, PHP and Typescript, I'm confident in my ability to learn.

I can't wait to be part of a team of experienced developers and truly make an impact in the company while making a start in my software development career. Thank you for considering my application.

Skills

- HTML & PHP
- CSS
- JavaScript
- React
- RESTful APIs
- Git/GitHub
- Agile methodologies (Waterfall, Scrum, Kanban)
- Learner mindset
- Working within a team
- Commitment and goal setter

Projects

Task manager app

HTML, CSS, JavaScript

- Web based app to track tasks in order of priority
- Developed for myself to keep a personal journal of jobs that need doing
- Shared with family and friends and taken feedback to implement improvements

Web based Portfolio

HTML, CSS, JavaScript, React

- Website portfolio developed to promote myself and demonstrate my abilities
- Allowed me to experiment and implement new ideas
- Used a front-end stack to increase specific knowledge areas

Magic the gathering deck-building app

HTML, CSS, JavaScript

- Web based app with the Scryfall API To search for specific cards
- Working on functionality to autofill deck's based on what the user has entered into their collection
- Built because of a passion and love for the game and found a lack of this functionality in other MTG websites

Education

NVQ Level 2: Software development

CodeNation

Manchester

Level 3 national extended diploma: Computing

The Manchester College

Manchester

- DMM achieved

GCSEs: English, Maths, Science

Parrs Wood High School

Manchester, MAN

- Grade 5 achieved

GCSEs: Citizenship, ICT

Parrs Wood High School

Manchester

- Grade 5, B

Hobbies and Interests

Outside of coding, I enjoy staying active, whether it's hitting the gym, spending time in nature, or playing disc golf. I also take art classes and recently started crocheting (with mixed results!). I love Magic The Gathering and am always looking to expand my collection and am currently building a website to keep track of my (thousands) of cards.
